Re: *United States v. Larry Ramos*

Dear Judge Vyskocil:

I am appointed counsel for Larry Ramos. I write to request that the bail hearing scheduled for May 9th, 2024 be combined with the Suppression Hearing scheduled for May 29th, 2024.

Larry had his psychiatric evaluation on April 30, 2024. Dr. Paradis has asked for two weeks from today to complete her report. The additional time to May 29th would give Dr. Paradis time to complete her report and time for the parties and the Court to receive and review a copy prior to the determination of bail. We submit Dr. Paradis' report will greatly inform the Court as to the bail issues.

The government has advised that given the record the government would object and will be seeking remand based on the five bail violation memoranda.

Respectfully submitted,

/s/ Inga L. Parsons
